PUBLISHERS' NOTE.

The renewal of the plates of the First Reader, worn by the printing of many editions, has afforded the opportunity—of which the authors and publishers have availed themselves—to make some changes and revisions. These changes, embodying suggestions which have come from appreciative users of the book, will, it is hoped, render the Reader even more acceptable to its wide constituency. Many of the illustrations, in the First Reader, as well as in the Second and Third Readers, have been redrawn, and the publishers feel that artistically, as well as pedagogically, the “Stepping Stones to Literature” continue to meet the most exacting requirements of American schools.
