Prefatory Note

IN the present volume the same arrangement has been followed as in the volume for 1911, except that reports of societies, institutions, etc., published annually have been transferred to an Appendix, which will be repeated in future issues.

A supplemental list of publications for the year 1911 will be found at the end of this volume.

Many publications of the year have no doubt escaped the vigilance of those engaged in collecting information for the "Bibliotheca Celtica." A note of any omissions will be welcomed by the Librarian.

Thanks are due to those who, by acting as correspondents in different localities, have supplied the particulars of many local publications which would otherwise have been missed.

Thanks are also due to those Printers and Publishers throughout Wales and Monmouthshire who have given systematic assistance by filing and sending to the Library a copy of everything, large or small, printed during the year. If every printing office would follow this course it would add to the value of the record.

Aberystwyth,

1 January, 1915.
