## CONTENTS.

VOL. XXXVII.

| No. |                                                                                                                                                                | Page |
|-----|----------------------------------------------------------------------------------------------------------------------------------------------------------------|------|
| 75. | LETTER from Timothy Shuttleworth, stating his Difficulties in reading the Newspapers—General Reflections on the Abuses of those daily Intelligencers . . . . . | 1    |
| 76. | Dinner at Mr. Melfort's—Hard Drinking—Mr. Umphraville's Reflections on modern Manners . . . .                                                                  | 6    |
| 77. | The Effect of Difficulty in Attainment to heighten our Keeness in Pursuit—Argument deduced from this with Regard to the Rule of Poetical Justice . . . . .     | 12   |
| 78. | Letter from John Hearty, giving an Account of his Sufferings from an extreme propensity to Friendship . . . . .                                                | 17   |
| 79. | Integer on negatively good Men—Scheme of a Newspaper to relate what Things are not done—Observations on Pastoral Poetry . . . . .                              | 22 ✓ |
| 80. | Critique on that Species of Composition known by the Name of Advertisement . . . . .                                                                           | 31   |
| 81. | Distresses of an Heiress; in a Letter from Olivia . . .                                                                                                        | 38   |
| 82. | On Sign-posts, as the Reward of public Merit, and and Criterion of National Success . . . . .                                                                  | 43   |
| 83. | Enquiry into the Causes of the Scarcity of humorous Writers in Scotland . . . . .                                                                              | 50   |

| No.                                                                                                                                                                                                             | Page |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------|
| 84. Of the Privilege of Fashion to alter Nature—Some Account of certain fashionable Peculiarities in Edinburgh . . . . .                                                                                        | 55   |
| 85. Apology to Poetical Correspondents—The Exile, an Elegy . . . . .                                                                                                                                            | 59   |
| 86. Antiquarius, on the Virtues of certain ancient Medicines . . . . .                                                                                                                                          | 64   |
| ✓ 87. On Superstition and the Fear of Death . . . . .                                                                                                                                                           | 68   |
| 88. The Hardships of a private Tutor, in a Letter from K. B.—Reflections suggested by it . . . . .                                                                                                              | 74   |
| 89. Emilia on female Accomplishments—Answer by the Author—Letter from Letitia Lappet, going to set up Shop as Milliner . . . . .                                                                                | 81   |
| 90. Calamities incident to extreme old Age, particularly the Loss of Friends; Feelings of the Author on a Misfortune of that kind . . . . .                                                                     | 89   |
| 91. On the Duties of the Great, in Behaviour as well as Conduct . . . . .                                                                                                                                       | 93   |
| 92. On the Desire of Figure-making . . . . .                                                                                                                                                                    | 99   |
| 93. Character of a Self-important Trifler; in a Letter from Miss C. F. . . . .                                                                                                                                  | 104  |
| 94. Effects of the Representation of certain Characters in the Mirror—Letter from a Gentleman in London on the Improvements of Edinburgh . . .                                                                  | 111  |
| 95. Description of a dangerous Species of Coquette; in two Letters from Mr. and Mrs. B. . . . .                                                                                                                 | 119  |
| 96. Bad Effects of an Education too refined for the Society in which we live; in a Letter from Mary Muslin—The Marriage of Eval, a Poem—The Plagiarisms of the Mirror, in a short Letter from Evelina . . . . . | 127  |
| 97. Account of the Flint Family, and their Conduct with regard to the Education of Master Flint, by the young Gentleman's Tutor, Hypodidasculus .                                                               | 134  |
