Wash Day hath no terrors—

for the woman
who owns an

“EDEN”

Home Laundry Machine

It positively is the last word in

Safety

Speed

Economy

Thoroughness

THE

“EDEN”

is an electric machine and the family wash can be finished in a fraction of the usual time, at a cost of about 1½¢ an hour.

It washes and wrings out, ready for the line, the finest, as well as the coarsest clothes and does both equally well.

Let us put one in your home on trial.

The “EDEN” can be seen in operation at

Electrical Engineering Co.
