**EASY LATIN EXERCISES FOR  
BEGINNERS, ON THE ACCIDENCE  
AND THE SIMPLER RULES OF  
SYNTAX IN THE  
LATIN GRAMMAR**

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data sources to ensure the validity of the findings.

3. The third part of the document describes the process of identifying and addressing potential risks and challenges. It notes that proactive risk management is crucial for the success of any project or initiative.

4. The fourth part of the document provides a detailed overview of the results and conclusions drawn from the study. It discusses the key findings and their implications for future research and practice.

5. The fifth part of the document offers recommendations and suggestions for further action. It encourages stakeholders to take the necessary steps to implement the findings and improve overall performance.

6. The sixth part of the document concludes with a summary of the main points and a final statement on the importance of ongoing monitoring and evaluation.

## PREFACE.

---

Few men engaged in tuition could fairly question the advantages to be derived from early practice in Latin Exercises. In the study of other languages it is customary to make the pupil do exercises in the language studied from the beginning, and with considerable profit. Such a custom of bringing the learner *to apply* his knowledge of Grammar from the outset—of looking from the Latin word to the English, and back again from the English to the Latin word—would, we feel convinced from experience, not only give the learner a lively interest in his work, but would stereotype his knowledge on his mind in a way no other method could effect.

The object of this little book is to further that end; and, it is hoped, that it is made so simple and elementary, that the learner will have no difficulty in beginning it with his Grammar. Written, as it is, by a schoolmaster who has had long and varied experience in teaching, he may trust that he has been enabled to form a book really useful for such a purpose, and one that will tend to smoothe the difficulties that beset the path of a beginner in his study of the Latin Language.

DERBY GRAMMAR SCHOOL,

*August, 1861.*

## EASY LATIN EXERCISES.

---

### THE ARTICLE.

THE demonstrative pronoun, *hic, hæc, hoc*, sometimes called the article, is used to denote the *genders of nouns*, and signifies "this."

#### EXERCISE.

Of this.—Of these. (*masc.*)—By these.—Of these. (*fem.*)—To these.—These. (*neut. nom.*)—This. (*acc. fem.*)  
By this. (*fem.*)—This. (*nom. neut.*)—This. (*acc. masc.*)—  
These. (*acc. masc.*)

---

### NOUNS.

#### DECLENSIONS OF NOUNS SUBSTANTIVE.

THERE are five declensions of substantives, distinguished by the ending of the genitive case.

#### THE FIRST DECLENSION

makes its genitive case singular to end in *æ* diphthong; as, *hæc musa*—a song; *gen. hujus musæ*—of a song.
