**A SONG-BOOK  
OF THE SOUL**

A SONG-BOOK OF THE SOUL.

BY THE SAME AUTHOR.

**A HISTORY OF SCOTLAND**  
CHIEFLY IN ITS ECCLESIASTICAL ASPECT.

From the Introduction of Christianity until the  
Death of James VI.

*Two volumes, cr. 8vo, 70s.*

"A work which, dealing with one of the most familiar of historical subjects, is yet thoroughly readable, and the characteristics of which are intellectual sincerity, and reverent faith in Providence."—*The Spectator*.

"It has not only the charm of an excellent and agreeable style, but it has the higher quality of vivid, imaginative presentation of the story it tells, and the scenes it depicts. . . . Such a history could not well be more honestly or more charmingly written."—*The Scotsman*.

"The author writes like a lady and a good Catholic. Those who take up her History . . . will find plenty of amusing reading, a vast amount of curious quotation, and . . . not a little easy and pleasant narrative."—*The Saturday Review*.

"It is . . . an admirable little work . . . admirable in the spirit of reverence for antiquity and pious remembrance of the early saints conspicuous in its pages. . . . The whole of the work is written in a thoroughly readable style, full of interest."—*The Tablet*.

"Its pages are all aglow, and throbb with fervid interest . . . perhaps never before has a more completely true, or a livelier yet wistful dispassionate, recital been given of the melancholy and moving story of the ill-starred Mary (Queen of Scots)."—*The Living Church*.

**Matri et Sororibus.**

THE writer desires to ask forgiveness on two accounts. First, for the title she has given to a little book of humble lyrics ; secondly, for having placed, side by side, subjects so sacred and so common-place. If fault be found with the arrangement of the verses, the writer ventures to refer to the teaching of two poets now at their rest. The one says, "yet set not in thy thoughts too far our heaven and earth apart," and the other assures us that "our common air is balm."
