Entered, according to the Act of Congress, in the year 1923,
By D. APPLETON & COMPANY,
In the Clerk's Office of the District Court of the United States for the Southern
District of New York.

PREFACE.

THE English edition of this little work was accompanied by the following brief announcement :

“ Should the plan and execution of this little volume meet with the approbation of able instructors, it will probably be followed by a similar one on selected portions of Xenophon's works.

“ For the answers to the questions I am principally indebted to the excellent editions of Cornelius Nepos by *Bremi*, *Dähne*, and *Jaumann*.

T. K. A.”

“ LONDON, Jan. 31, 1845.

In this American edition the alterations will be found to consist principally in a more full and correct citation of illustrative passages, in frequent references to the recent reprint of Zumpt's Latin Grammar, to confirm or silently modify the positions taken, and in the addition of the notes at the foot of the page, which are referred to by letters of the alphabet.

Many other changes have been made in the correction of errors, which appear to have been the conse-

quence of haste, of which it is hoped this edition will be comparatively free.

With these brief statements of what the editor is responsible for, he leaves this little volume to win for itself, both with teachers and pupils, the favor which it deserves.

[The page contains extremely faint and illegible text, likely bleed-through from the reverse side of the paper. The text is scattered across the page and does not form any recognizable words or sentences.]

PRÆFATIO.

ARGUMENTUM.

Auctor scripturæ genus, quo usus est, et rerum, quas persecutus est, levitatem excusat morum Græcorum et Romanorum diversitate.

I. Non dubito, fore plerosque, Attice, qui hoc genus 1
scripturæ leve et non satis dignum summorum virorum
personis judicent, quum relatum legent, quis musicam
docuerit Epaminondam; aut in ejus virtutibus commem-
morari, saltasse eum commode scienterque tibiis can-
tasse. Sed hi erunt fere, qui, expertes litterarum 2
Græcarum, nihil rectum, nisi quod ipsorum moribus
conveniat, putabunt. Hi si didicerint, non eadem omni- 3
bus esse honesta atque turpia, sed omnia majorum insti-
tutis judicari, non admirabuntur, nos in Græcorum virtu-
tibus exponendis mores eorum secutos. Neque enim 4
Cimoni fuit turpe, Atheniensium summo viro, sororem
germanam habere in matrimonio: quippe quum cives
ejus eodem uterentur instituto. At id quidem nostris
moribus nefas habetur. Magnis in laudibus totâ fere fuit 5
Græciâ, victorem Olympiæ citari; in scenam vero pro-
dire et populo esse spectaculo, nemini in eisdem genti-
bus fuit turpitudini. Quæ omnia apud nos partim
