AN APOLOGY

NOTICE

The claims of KAPUTINE for the immediate cure of Headache—PURE KAPUTINE being the genuine and original specific for Headache. Its success has been so great as to bring into the market a host of spurious imitations, more or less harmless, in the form of Headache Powders. Genuine Kaputine may be recognised by its bearing the Government Stamp, and the word KAPUTINE, to imitate which is forgery.

Mr. WILSON, the well-known Pharmacist, Douglas, says: "It has frequently cured patients as they have sat in his pharmacy. Never known it to fail."

Mr. HARDING, Dispensary, Marsh Lane, Leeds, says: "I find Kaputine a most marvellous remedy for pains in the head."

This testimony has been corroborated by scores of pharmacists and dispensers throughout the British Isles. Sold in packets of 18 doses, at $1/1\frac{1}{2}$ per packet, by all the leading Chemists in the Kingdom, and by all Co-operative Stores. One dose will immediately cure any form of Headache.

To prevent imposition, the Kaputine Syndicate offer a REWARD OF £5 for such information (in strictest confidence) as will lead to the CONVICTION of anyone pirating their speciality.

Any Chemist can get genuine Kaputine for you. But if you have the least difficulty send your address to KAPUTINE Limited, Huddersfield, or Manchester, and you will get what you require by return.
