The material for this report was collected in the spring of 1920. As our Class Treasurer was in some reasonable doubt as to whether the Class Fund would suffice for our Thirtieth Anniversary and the Publication of the Report it seemed wise to defer its publication until a satisfactory surplus could be in sight. The report was therefore not released for the printer till the spring of 1921 and though delayed in its issue it will be paid for out of our present funds without any necessity of further calls for financial assistance.
