## PREFATORY NOTE

VERY many of the following pages were written in the trenches and dug-outs of Greece and Serbia. I added a chapter or two in Port Said, Alexandria and Marseilles. That is to say, I wrote far away from books and without reference to documents, and I wrote to refresh a mind dulled by the conditions of Active Service in the Near East. A few chapters were written in London and a few in Winchester.

Here and there may be found factual inaccuracies, though if these exist I am not aware of them. But the spirit of the book is as near the truth as I can bring it.
