## INTRODUCTION

---

I HAVE had the opportunity, during the last few years, to travel very extensively throughout the West, and considerable in the East, with my husband, and finding people in general greatly interested in my oral description of the numerous places I have visited, I decided to give a history of the many cities and their surroundings as I saw them during my visits, at different seasons of the year.

Realizing that it will be of interest and information to the reading public, I now present to you my LEAVES OF KNOWLEDGE.

ELMA MACGIBBON.
