Of the poems in this volume, those marked B in the Table of Contents are by H. C. Beeching, those marked M by J. W. Mackail, and those marked N by J. B. B. Nichols. Some of them have been already published in a volume by the same authors called Love in Idleness (1883), which is now out of print; some others have appeared in the Oxford Magazine; the rest are now printed for the first time. The design on the title-page is adapted from the Hypnerotomachia.
