# KEYS TO CHRISTIAN KNOWLEDGE.

*Small 8vo. 2s. 6d. each.*

## *A KEY TO THE KNOWLEDGE AND USE OF THE HOLY BIBLE.*

By the Rev. JOHN HENRY BLUNT, M.A., F.S.A.

EDITOR OF THE "DICTIONARY OF DOCTRINAL AND HISTORICAL  
THEOLOGY," AND "THE ANNOTATED BOOK OF COMMON PRAYER."

AUTHOR OF "DICKERHOLD PREGARITY," 1770, 1771.

"Another of Mr. Blunt's useful and workmanlike compilations which will be most acceptable as a household book, or in schools and colleges. It is a capital book too for schoolmasters and pupil teachers. Its subject is arranged under the heads of—I. The Literary History of the Bible. II. Old Testament Writers and Writings. III. New Testament ditto. IV. Revelation and Inspiration. V. Objects of the Bible. VI. Interpretation of ditto. VII. The Bible a guide to Faith. VIII. The Apocrypha. IX. The Apocryphal Books associated with the New Testament. Lastly, there is a serviceable appendix of peculiar Bible words and their meanings."—*Literary Churchman*.

"Mr. Blunt is well known as an industrious and careful theological writer, and his 'Key to the Holy Bible' will not detract from his literary reputation. Mr. Blunt's present aim is to give in a succinct form an epitome of the history and scope of the Bible, its versions, its authors, and its component writings. As a popular handbook, setting forth a selection of facts of which everybody ought to be cognizant, and as an exposition of the claims of the Bible to be received as of superhuman origin, Mr. Blunt's 'Key' will be useful."—*Churchman*.

"A great deal of useful information is comprised in these pages, and the book will no doubt be extensively circulated in Church families."—*Clerical Journal*.

"We have much pleasure in recommending a capital handbook by the learned Editor of 'The Annotated Book of Common Prayer.'"—*Church Times*.

"Merits commendation for the lucid and orderly arrangement in which it presents a considerable amount of valuable and interesting matter."—*Record*.

"A modest, unpretending little volume, containing much information, and a great amount of research carefully and excellently presented. For Bible students the book will be invaluable."—*Public Opinion*.

"A very useful and well got up little book."—*Watchman*.

---

### A KEY TO THE KNOWLEDGE AND USE OF THE BOOK OF COMMON PRAYER.

By the Rev. JOHN HENRY BLUNT, M.A.

"A very valuable and practical manual, full of information, which is admirably calculated to instruct and interest those for whom it was evidently specially intended—the laity of the Church of England. It deserves high commendation."—*Churchman*.

"A thoroughly sound and valuable manual."—*Church Times*.

"To us it appears that Mr. Blunt has succeeded very well. All necessary information seems to be included, and the arrangement is excellent."—*Literary Churchman*.

"Impossible to praise too highly. It is the best short explanation of our offices that we know of, and would be invaluable for the use of candidates for confirmation in the higher classes."—*John Bull*.

"Not only is this 'Key' well fitted to enable the reader to take an intelligent interest in our church ordinances, but it is also calculated to lead him reverently to appreciate the benefits of which he, as a baptised member of the great Society, has become a part of her; and we therefore give it the very highest praise."—*Church Chronicle*.

---

### A KEY TO THE KNOWLEDGE OF CHURCH HISTORY (ANCIENT).

Edited by the Rev. JOHN HENRY BLUNT, M.A.

"It offers a short and condensed account of the origin, growth, and condition of the Church in all parts of the world, from A.D. 1 down to the end of the fifteenth century. Mr. Blunt's first object has been conciseness, and this has been admirably carried out, and to students of Church history this

feature will readily recommend itself. As an elementary work 'A Key' will be specially valuable, inasmuch as it points out certain definite lines of thought, by which those who enjoy the opportunity may be guided in reading the statements of more elaborate histories. At the same time it is but fair to Mr. Blunt to remark that, for general readers, the little volume contains everything that could be consistently expected in a volume of its character. There are many notes, theological, scriptural, and historical, and the 'get up' of the book is specially commendable. As a text-book for the higher forms of schools the work will be acceptable to numerous teachers." *Public Opinion.*

"It contains some concise notes on Church History, compressed into a small compass, and we think it is likely to be useful as a book of reference."—*John Bull.*

"A very terse and reliable collection of the main facts and incidents connected with Church History."—*Rock.*

"It will be excellent, either for school or home use, either as a reading or as a reference book, on all the main facts and names and controversies of the first fifteen centuries. It is both well arranged and well written."—*Literary Churchman.*

### A KEY TO THE NARRATIVE OF THE FOUR GOSPELS.

By JOHN PILKINGTON NORRIS, M.A.

CANON OF BRISTOL, FORMERLY ONE OF HER MAJESTY'S INSPECTORS  
OF SCHOOLS.

"This is very much the best book of its kind we have seen. The only fault is its shortness, which prevents its going into the details which would support and illustrate its statements, and which in the process of illustrating them, would fix them upon the minds and memories of its readers. It is, however, a great improvement upon any book of its kind we know. It bears all the marks of being the condensed work of a real scholar, and of a divine too. The bulk of the book is taken up with a 'Life of Christ,' compiled from the Four Gospels, so as to exhibit its steps and stages and salient points. The rest of the book consists of independent chapters on special points."—*Literary Churchman.*

"This book is no ordinary compendium, no mere 'cram-book'; still less is it an ordinary reading book for schools; but the schoolmaster, the Sunday-school teacher, and the seeker after a comprehensive knowledge of Divine truth will find it worthy of its name. Canon Norris writes simply,

reverently, without great display of learning, giving the result of much careful study in a short compass, and adorning the subject by the tenderness and honesty with which he treats it.

We hope that this little book will have a very wide circulation and that it will be studied; and we can promise that those who take it up will not readily put it down again."

—*Record.*

"This is a golden little volume. Having often to criticise unsparingly volumes published by Messrs. Rivington, and bearing the deep High Church brand, it is the greater satisfaction to be able to commend this book so emphatically. Its design is exceedingly modest. Canon Norris writes primarily to help 'younger students' in studying the Gospels. But this unpretending volume is one which all students may study with advantage. It is an admirable manual for those who take Bible Classes through the Gospels. Closely sifted in style, so that all is clear and weighty; full of unostentatious learning, and pregnant with suggestion; deeply reverent in spirit, and altogether Evangelical in spirit; Canon Norris' book supplies a real want, and ought to be welcomed by all earnest and devout students of the Holy Gospels."—*London Quarterly Review.*
