THE SILVER TRAIL

*It dips beyond the mountain,
It lies beyond the lea:—
And where it leads we follow
To learn its mystery.*

*It shines against the morning
A jewelled thread of light;
It lures, it calls, it beckons
Through all the day and night.*

*Where leads it? That we know not
Only its silver gleam
Compels us and we follow
The vision and the dream.*

*No straining eye may sever
The thin ethereal veil,
That at the wide horizon
Enfolds the Silver Trail.*
