OUR REFUGEE HOUSEHOLD.

I do not put the word "preface" at the beginning of my book, although, kind reader, this *avant-courier* is intended as such. I confess my reason is my own want of courtesy to the prefaces of others, and my fear that most of my readers, especially my female ones, will prove as uncourteous to mine. I affirm, however, that often, after being much interested in some authors, I have read their prefaces and found a great deal of interest in them. You will not find much in this; but I would like you to peruse it for the better understanding of the subsequent pages.

As you read the book you will, I have no doubt, notice a certain incompleteness in its pages; an incompleteness consequent, I may say, upon the change in our public affairs since its commencement, which change has made it necessary for me to omit many passages relative to our hopes and desires during the progress of the war.
