THE out-of-door studies and meditations which make up this volume appeared at intervals during the past four years in the columns of *The Christian Union*. They are so closely akin in sentiment to the papers published last autumn, under the title "My Study Fire," that the general friendliness with which the indoor reveries were received has inspired the hope that these out-of-door dreams and studies may find acceptance as a companion volume.

H. W. M.

March, 1891.
