## PUBLISHERS' ADVERTISEMENT.

---

IN the absence of any preface by the author, the publishers desire to commend most heartily this little work to the many children who have read their series of juvenile books in former years. In the simplicity and directness of its style, the deep and continuous interest of the story, and in the wholesome but unobtrusive moral it inculcates, it will remind older readers of the golden days of their youth, when De Foe, Miss Edgeworth, Mrs. Sherwood, and a few others, enjoyed a solid popularity which hardly any modern authors either receive or deserve.
