TO THE READER.

"A SMALL craft," you will say, "and certain of shipwreck by the breath of criticism." It may be so, and yet, with many misgivings, it is launched with the humble hope that in its cargo may be found something to revivify the Past with pleasant memories, to interest and perhaps instruct in the Present, and to raise happy anticipations for the Future.

EASTERTIDE, 1896.

A. M.
