PREFACE.

IN giving this book to the public I wish to express my acknowledgments to Philip Alexander Bruce and Alexander Brown for the assistance which they have rendered me through their monumental works, *The Economic History of Virginia in the Seventeenth Century* and *The First Republic in America*. My sincere thanks are also due to H. B. Smith, of the city of Williamsburg, who aided me very materially in preparing the charts of Jamestown Island and James River, and to Robert Lee Traylor, of Richmond, who placed his library at my service, and aided in correcting the proof-sheets.

LYON G. TYLER.
