SOME old friends have suggested to me the idea of publishing my experiences in Tirhoot from 1847. The following pages give a brief sketch as far as my memory serves me. Dates may not be always accurate ; but they are not far out. Events have been jotted down as they came to mind ; and if the occurrences of 1857 come tumbling in when my reminiscences are of 1847-48, I must ask my readers to remember that these pages have been put together hurriedly during leisure moments.
