BAPTIST CONGRESS

PLAN OF ORGANIZATION

1. *The object* of the Congress is to promote a healthful sentiment among Baptists through free and courteous discussion of current questions by suitable persons.

2. *The work* of the Congress shall be subject to the control of a General Committee of one hundred members or more. The Committee shall be composed of persons who have consented to contribute five dollars or more annually toward the expenses of the Congress.

3. *The General Committee* shall elect a permanent Executive Committee of fifteen persons residing in or near the City of New York, at the meetings of which Executive Committee any member of the General Committee may be present and vote; and to this Executive Committee shall be intrusted, except as may have been already provided for by the General Committee, entire control over the public meetings—e.g., determination of the time and place, the number of days and sessions each day, selection of the presiding officer, the topics, the appointed writers and speakers, the provision for volunteer speakers, and rules of discussion. The Executive Committee shall also secure a full stenographic report of the proceedings, and funds to meet any other necessary expense.

4. *A Secretary* shall be elected, who shall also be Secretary of the Executive Committee, and of the public meetings, the expenses of whose correspondence, etc., shall be met by a tax levied by the Executive Committee upon the General Committee.

5. *The General Committee* shall meet in connection with the public meetings, and when called together by the Executive Committee.

6. *The Executive Committee* shall secure the appointment of a Local Committee in the city or town where a public meeting is to be held, which shall provide a suitable place for the Congress, entertainment for the officers and appointees of the Congress.

7. *Any member* of a Baptist Congregation may become an Annual Member of this Congress, and thus be entitled to all its privileges, and to a copy of the published proceedings, by the payment of the sum of two dollars.

RULES OF DISCUSSION

1. *The Chairman* of the Congress shall be appointed by the Executive Committee, and on all points of order his decision shall be final.

2. *Any member* of a Baptist Congregation who, by sending his card to the Secretary, shall signify his willingness to speak on the topic under discussion, may be called upon by the Chairman.

3. *All writers* and speakers shall take the platform, address only the Chair, and confine themselves to the subject assigned for the occasion.

4. *No person* shall speak twice on the same subject.

5. *Readers of papers* shall be allowed twenty-five minutes, appointed speakers¹ twenty minutes, and volunteer speakers ten minutes. The Secretary shall notify all participants by stroke of the bell three minutes before, and also at the expiration of their time, beyond which no one shall be allowed to proceed.

6. *No paper* shall be read in the absence of its writer, nor shall any paper be printed in the proceedings except it has been read at the meeting.

7. *No resolution* or motion shall be entertained at the public conferences.

EXPLANATORY

The stenographer who served at Ithaca did so under protest, knowing that she was not competent to carry out the work. This fact, combined with the new Secretary's inexperience and the pressure upon his time of the cares of a busy pastorate, has greatly delayed the publication of this volume. The Secretary craves the indulgence of his brethren, and hopes for better success next year.

¹ Appointed speakers must not use MS, the object of their appointment being to encourage the volunteer discussion which follows their address.
