# Dr. Deimel Underwear

(LINEN-MESH)

The Sentinels of Health within the skin of all who wear flannel or woolen underwear, are exhausted to the point of paralysis by the prolonged irritation, which they have long ceased to report. They have been abused too long.

For proof let a wearer of woolen undergarments touch his face where the sensory nerves are still normal, with his woollen shirt and he will notice a feeling of stinging irritation.

Let him take a Deimel Linen-Mesh garment; there is at once an agreeably cool sensation, changing gradually into one of comfortable warmth. A sense of ease and well-being.

The change from wool to the Deimel Linen-Mesh is a change that one will never forget.

## IN CHRONIC CONSTIPATION

The most desirable remedy is the one that will act only in a mechanical way, that will soften and ease the motions, that will stimulate the peristaltic action of the bowels and the dose of which never has to be increased.

## ANCIER'S EMULSION

(88½% PURIFIED PETROLEUM)

will do this. It can be prescribed with perfect safety, as it can cause no injury or symptom.

Its efficacy in chronic constipation is a proved admitted fact.

Let us send you samples (charges paid) for you to try on a stubborn case.
