EDITORIAL NOTE

THE Editors have great satisfaction in issuing this contribution to the Guild and Bible-Class series from the pen of Professor Robertson of the University of Glasgow. The subject is one of special interest and importance at the present time, and they believe the manual will supply a widely-felt want. It will be understood, that while in general sympathy with the learned author's leading views, neither the Editors nor the Committee under whose auspices the book is published, are to be held as committed to all the critical opinions expressed in it.
