## FOREWORD.

---

The songs in this book have been selected with great care and with special reference to the needs of the Sunday school and young people's meetings. There is not an undesirable song in the book. A number of the best hymns of the Church, together with the more modern ones, have been included. A good many of the songs appear in print for the first time. The music is melodious, yet not difficult, while the verse is reverent, inspirational, and helpful. Those songs that will grip the heart and life of young people have been earnestly sought. We are confident that "Songs of Praise and Service" will appeal to all who are looking for a strictly Sunday school and young people's song book.
