INTRODUCTION.

HE first issue of this little work (which appeared in a pamphlet form) being now out of print, I have thought it right to prepare a second and fuller edition—the more so, as the nature of the argument has in certain quarters not been precisely apprehended, a result which was doubtless due to my own imperfect definition. I am desirous, therefore, to explain that the line of argument is somewhat different from that which has been generally followed in books on Christian Evidence, and ought not therefore to be confounded with it.

The following pages may be described as little more than a collection of *unquestioned* historic facts and writings, to the relevancy of which, the laws that regulate circumstantial evidence must be impartially applied. Most of the facts, taken
