PREFACE

THE author wishes to acknowledge his indebtedness to Mr. Alderson's Life for certain light on the youth and early manhood of Mr. Balfour. Regarding the Tariff Reform period, he has derived great assistance from Mr. Holland's Life of the Duke of Devonshire, letters from and to whom are occasionally quoted in the text. On the same subject he has found Mr. Peel's animated sketch "The Tariff Reformers" both stimulating and informative. For the last chapter, in which an attempt is made to appraise Mr. Balfour's main contributions to philosophy, the author has to thank Mr. A. Wyatt Tilby.
