THE present publication comprises fifteen chapters, each of which treats a particular aspect of the problems now confronting Russia and Russo-British political and economic intercourse.

Each chapter is intended to be an independent essay, while together they form a whole which is throughout an appreciation of the evolution of Russia and of the continuation and further development of close friendly relations between the two countries.

Some of the essays have been partly reprinted by the kind permission of the editors of such periodicals as the Russian section of the *Times*, the *Hibbert Journal*, the *Contemporary Review*, the *Asiatic Review*, the *Journal of the Royal Statistical Society*, the *Journal of the United Russia Societies Association*, and the *Russian Quarterly*.
