PREFACE.

THESE Lectures, delivered to the Pupils of the Alexandra College during the Hilary and Easter Terms of 1869, were not originally intended for publication.

Their object was to popularize the study of Irish history, to free it, in some degree, from the tediousness and monotony of which it is accused, and by treating it in distinct periods, concisely to state the results of the prevailing political and social ideas.

Hodges 29th Dec. 1921 (2 vols.)
