Preface

IN the early part of 1915 there was sent out to personal friends of the author an interweaving of the Four Gospels into one connected account of the life and the teachings of Jesus of Nazareth, in which the attempt had been made by free translation and paraphrase to bring out their unity from a modern point of view.

From the hundreds of letters that were received and the conversations that were held, it became evident that a new line of appreciation for the Good News of a Spiritual Realm and the Way of Salvation had been opened. The present sermons are an attempt to set this Good News of a Spiritual Realm into relation to present-day thought, and to show its value and usefulness to any one who has felt a desire to make that supreme adventure in faith, a quest for a higher spiritual life, with Jesus as a guide, an inspiration, and a Saviour.
