THE character of Dora in this little volume, although so lovable in its simplicity and childishness, teaches the great truth that a character so unformed, fails to satisfy the companion who has higher views of the duties and trials of life.

It is seen that Agnes, with her strong and yet gentle spirit, meets a want that the sweetest and most winning ways of Dora could not satisfy.

We must unite a child-like spirit with a high purpose in life, or we shall fall far short of our desire to be useful, and to be best-loved.
