PREFACE.

N letting these Sounds go abroad I hesitate whether to accompany them by that name which, adopted in a moment of girlish caprice, was fated to be the one by which the world should know me best, or by that which is rightfully mine.

I remember that the one will represent me to some, and the other to still others, while a few know me by both.

The two names are typical of my double existence as a woman and an author.

In my double character I give my rhymes into the hands of—may I hope that I shall find the terms synonymous?—friends and readers.

LAURA C. REDDEN
