Lyrics of Nature, Art and Love

By

Francis William Bourdillon

London : Lawrence & Bullen, Ltd.

16 Henrietta Street, Covent Garden

MDCCCXCVII

The poems contained in this little volume are for the most part the siftings of three yet smaller volumes of verse, published anonymously at Oxford in 1891, 1892, and 1894, and now withdrawn from sale. But I have added certain new poems, which in the Contents are marked with an asterisk, besides four which appeared in the American edition of *Ailes d'Alouette*.
