EDGAR SALTUS

**MR. INCOUL'S
MISADVENTURE**

BY THE SAME AUTHOR:

*THE PHILOSOPHY OF DISEN-
CHANTMENT.*

Crown 8vo.

"Mr. Saltus is a scientific pessimist, as witty, as bitter, as satirical, as interesting and as insolent to humanity in general as are his great teachers, Schopenhauer and Von Hartmann."—*Worcester Spy*.

THE ANATOMY OF NEGATION.

Crown 8vo.

"A whole library of pessimism compressed into one small volume by a writer whose understanding of the value of words amounts almost to genius."—*Chicago Herald*.

"The work is remarkable in every way and its originality and power will compel for it more than an ephemeral existence, for independently of the force with which it deals with its theme its literary merits are of a high order, and its reflections are those of a bold, brilliant and able thinker."—*Boston Saturday Review*.

IN PREPARATION,

CIMMERIA.
