NOTE

The Author wishes to express her thanks to Viscount de Barbe for the gift of his beautiful snap-shots of running water; also to Mr. Dickenson, and to others whose names appear beneath their illustrations; and yet again to those happy possessors of trout-streams who gave their generous permission to pass through their waters. She also appreciates very warmly the kind help and advice of Mr. Grant Richards in the production of this book.

“O ye whales and all that move in the waters,
bless ye the Lord.
Praise Him and magnify Him for ever.”
