### PREFACE

In preparing this Manual, the Committee have assumed that the lists of members of the Church, contained in the Manuals of 1872 and 1883, are in the main accurate, and have therefore incorporated those lists, with such corrections as have come to their attention, into the Historical List of Membership of this Manual. Had the work involved in the other portions of the undertaking been less, those lists of 1872 and 1883 might have been verified by comparison with the original records.

In the preparation of the Historical Sketch, valuable assistance has been received from material gathered by Hollis R. Bailey, Esq., and from "Lectures on the History of the First Church in Cambridge," by the Pastor of this Church.

It is hoped that the Directory of the Church and Congregation will be widely useful, at least in facilitating the business and promoting the social life of the Church. Persons changing their residence will confer a favor by giving prompt notice thereof to the Pastor in writing.

In the details doubtless errors will from time to time be discovered. They should be reported in writing promptly to the Clerk of the Church.

CAMBRIDGE, MASSACHUSETTS, September 15, 1900.
