Foreword

IN the preparation of this volume which includes all of the publications of the Kelmscott and Doves Presses, I desire to say that I have had no part in the work as it is herein presented. The necessary collations and the arrangement of this bibliography have been made by my librarian, Robert Ernest Cowan, with the able collaboration of my first and second assistants, Cora Edgerton Sanders and Harrison Post. In deep appreciation of what they have done I desire here to express my sincere obligations.

WILLIAM ANDREWS CLARK, JR.
