## TRANSLATOR'S PREFACE

I HAVE always felt that all war stories dwell too much on the glory and glamour of war, and too little on the hardships and horrors and the unnecessary cruelty of it ; and so when I read a little German book about the South-West African War of 1903-4, I wished that every one else might read it. To me it was absorbingly interesting and beautifully told. This summer I have translated it in the hope that it will affect other people as it affected me.

MARGARET MAY WARD.
