NOTE

THESE collected poems include the previously published volumes of Arthur Upson's verse, with such exclusions as seemed wise, together with poems written later or for some reason not printed therein.

The copyrights to certain books not published by Mr. E. D. Brooks were held by Mr. Upson and are now the property of his estate. The volume entitled "The City and Other Poems," published by The Macmillan Company, has also been acquired by the estate. Thanks should be rendered to the "Pall Mall Magazine" of London, "The Century Magazine," the Minneapolis "Bellman," and various other American periodicals, for permission to publish the poems originally printed in their columns.
