ADVERTISEMENT.

AN effect of the very flattering review of my little publication upon Egypt, has been to exhaust the first edition, comparatively speaking, in a moment of time, and to create, in consequence, a demand for this second edition, which, to correspond properly with the extreme indulgence of the public, I have endeavoured to render, as to arrangement, and as to further relative information upon the contents of it, if not more interesting, considerably less incomplete.

I should have been glad, I confess, from faithful materials, had any such come into my hands, to have continued my narrative
