**LETTER OF TRANSMITTAL.**

U. S. DEPARTMENT OF LABOR,  
CHILDREN'S BUREAU,  
*Washington, June 30, 1916.*

SIR: Herewith I transmit a list of references on child labor.

The first edition of this list was compiled by Mr. A. P. C. Griffin and was published by the Library of Congress in 1906. This second edition was begun in 1914, under the direction of Mr. H. H. B. Meyer, chief bibliographer of the Library of Congress, but the material was transferred to the Children's Bureau because the Library of Congress was committed to the completion of certain larger publications, which made it impracticable for the Library to publish this list at present.

Miss Laura A. Thompson, librarian of the Children's Bureau, has assisted in the preparation of the list, but the great bulk of the work has been done by the Library of Congress.

The Children's Bureau wishes to express its appreciation of the privilege of being associated with the Library of Congress in this publication.

Respectfully submitted,

JULIA C. LATHROP, *Chief.*

HON. WILLIAM B. WILSON,  
*Secretary of Labor.*

**NOTE.**

---

The reports of the State bureaus of labor and the reports of the departments of factory inspection have been included only where a special investigation has been made or where special statistics have been given. Most of the reports of the bureaus of labor contain statistics of children employed and reference to the inspection of child labor where there is no special department of factory inspection. No reference has been made to the child-labor laws as found in these or similar reports, as these are covered by the compilation made by the Children's Bureau. (See No. 577 in this list.)

The numbers at the end of the titles are the shelf numbers of the books in the Library of Congress.
