THE FLAG MAKERS..... <i>Franklin K. Lane</i>	239
BUSINESS..... <i>Sam Walter Foss</i>	242

THE INTRODUCTION

To be true to American ideals every youth must select his own vocation and be responsible for making his own career. In harmony with this principle one of the safe and sane methods of Vocational Guidance is to expose each boy and girl to the largest possible number of temptations to a good life-work. Without being didactic Mr. Pressey has made an interesting pioneer book in this field.
