Introduction

THE first Anne Nelson story was "A Little Maid of Province Town," which told how the little Cape Cod girl's father went away to fight for the colonies, how she went to live with the Stoddards, how she escaped perils from Indians and wolves, made an unexpected trip to Boston, and carried an important message for the colonial army.

The girls and boys who made acquaintance in that book with Anne and with Amanda and Amos Cary will be glad to read here how Amos won his heart's desire,—to go a long voyage from the harbor of Province Town; Anne's journey with the Indians, her imprisonment in the house in the woods, and her escape; how she and Rose Freeman discovered "Aunt Anne Rose" on the happy trip in Boston, and how Anne helped to capture an English privateer, will hold the attention of young readers, and, incidentally, show them something of the times and history of Revolutionary days in New England.

Contents
