INTRODUCTORY NOTE.

The following temporary index to the General Laws, for use pending the preparation and publication of the final index, has been prepared by William E. Dorman, Esq., Counsel to the Senate, acting under the direction of the Joint Special Committee on Printing the General Laws, appointed under chapter 86 of the Resolves of 1920. It is obviously without detail, and is designed to indicate in a general way where the more important subjects may be found. As it refers to chapters and sections, rather than to pages, it may be used in connection with the Report to the General Court of the Joint Special Committee on Consolidating and Arranging the General Laws, and the pamphlet containing the amendments thereof, as well as with the General Laws, now being published.
