PUBLISHERS' NOTE.

SONGS OF HOME forms the second volume of the re-issue of FOLK SONGS, of which SONGS OF LIFE, published during the past season, was the first. These will be followed by SONGS OF THE HEART and SONGS OF NATURE, the four volumes comprising the original book, with a number of new poems, and additional illustrations. The comprehensiveness and completeness of each volume, and its convenient size, will, it is believed, commend these selections anew to the public favor.
