For the Information of Purchasers.

I. Terms for Slides.

1. No slides rented.
2. No colored slides furnished.
3. To avoid mistakes, order by number and title.
4. All slides are of American standard size, $3\frac{1}{4} \times 4$ inches.
5. Transportation charges to be paid by the purchaser, but will be prepaid and included in the bill if requested.
6. These slides are made to order only, hence they cannot be sent for inspection.
7. Terms: Cash at 30 days unless some other arrangement is specifically made when the order is placed.
8. Price of plain slides, 40 cents each, 10 per cent discount on orders for fifty or more.
9. For slides of marble statuary in the round with backgrounds painted out by hand, add 15 cents per slide extra to the above rates. This renders backgrounds entirely opaque and very greatly improves the effect of the slide on the screen. So many purchasers wish this done that on future orders I shall paint out such backgrounds as need it unless the order explicitly states that plain slides are wished. Satisfaction is not guaranteed on such orders.

II. Prints.

Small matte surface prints suitable for students' note books can now be furnished of all subjects listed in the original catalogue and the three supplements. They are exactly the same size as the corresponding slides. Price by mail, unmounted but trimmed and numbered, four cents each, or \$3.50 per hundred, with the exception of the two following series: First, Caesar prints, Nos. 1 to 234 in Supplement No. 2; the price of these is five cents each, \$4.50 per hundred; on these prints the title is given below the picture. Second, the De Crisco Inscriptions, Nos. 3050 to 3165b can be supplied only in a larger size, about 5×7 ; price unmounted, twelve cents each or ten cents each on orders for fifty or more.

III. Special Maps of Rome.

Beside the small prints mentioned above, larger prints, about 5×7 , of the separate sheets of Lanciani's *Forma Urbis Romae*, Nos. 5886-6931 (see page 28 of Supplement No. 1) can also be supplied. Price, unmounted, twelve cents each, or the entire set of 46 for \$4.50.

N. B.—All prints are made to order only and cannot be sent for examination. A delay of about two weeks is necessary after the receipt of the order before prints can be sent. Large orders may take longer.

Prefatory Note.

This collection of slides, begun in 1898 for use in my own classes, has now increased to a total of over 6,000 titles, covering almost every phase of Greek and Roman Archaeology. I am under great obligations to Professor C. B. Martin, of Oberlin College; Professor S. B. Platner, of Western Reserve University; Professor W. G. Hale, of the University of Chicago; Professor M. L. D'Ooge and Professor F. W. Kelsey, of the University of Michigan, and the Librarians of the several institutions just named—they have all in the most generous fashion placed at my disposal any illustrative material desired. But for their cordial co-operation this collection could never have attained one-tenth its present size and scope.

I am also especially indebted to Professor Kelsey, Professor Platner, and the Macmillan Co. for freely given permission to make use of copyrighted material.

G. R. Swain.
