## PREFACE

THE little volume of *Select Passages from the Theological Writings of Benjamin Jowett* has been well received; and it is hoped that a more extensive reprint of some of the dissertations in his edition of St. Paul's Epistles may find acceptance.

The Essays on *St. Paul and the Twelve*, and on *Casuistry*, have been slightly abridged. The remaining five are given here as they appear in Professor Jowett's second edition (1859).
