MEMORIES OF BUFFALO BILL

MEMORIES OF BUFFALO BILL

By His Wife

LOUISA F. CODY

In Collaboration with Courtney Ryley Cooper

AN intimate biography of one of the most picturesque characters in American history, pulsating with all the excitement of the old Wild West. From the day that Louisa Frederici met Buffalo Bill and slapped his face to the day of the great Indian fighter's death, life was a series of wonderful adventures for both of them—adventures that Mrs. Buffalo Bill recounts with intense vividness and charm of style. She tells of Buffalo Bill's whirlwind courtship, of his life as a pioneer, of his success as an Indian fighter and as the avenger of Custer's massacre, and of the organization of the world-famous Wild West Show. There are countless thrilling stories of battles, of danger and hair breadth escapes; innumerable amusing anecdotes of Buffalo Bill's stage experience and of the friendship between the members of the Wild West Show. This book is a thrilling story, an important human document and a unique picture of the West fifty years ago.
