MUTUAL LIFE ASSURANCE.

The Scottish Provident Institution.

No. 6 ST. ANDREW SQUARE, EDINBURGH.

THIS SOCIETY DIFFERS IN ITS PRINCIPLES FROM OTHER OFFICES—Instead of charging rates that are higher than necessary and afterwards returning the excess, in the shape of periodical Bonuses, it gives from the first as large an assurance as the Premiums will with safety bear—reserving the Whole Surplus for those who live long enough to secure the Common Fund from loss.

A Policy of £1,200 to £1,250 may thus at most ages be had for the Premium usually charged for £1,000 only; while, by accumulating the Surplus, large additions may be looked for on the Policies of those who participate. At last investigation, Policies for £1,000 sharing a first time were increased to sums ranging from £1,170 to £1,300. In some cases, Policies which shared at the whole four divisions, have now been doubled.

Its TERMS are thus specially adapted to the case of Provisions in Family Settlements, or otherwise, where it is of importance to secure for the smallest present outlay, a competent provision, of definite amount, in the case of early death.

ANNUAL PREMIUMS FOR £100 AT DEATH (WITH PROFITS).

| AGE. | 25 | 30 | 35 | 40 | 45 | 50 |
|----------------|---------|---------------------|---------|--------------------|--------|--------|
| During Life... | £1 18 0 | £2 1 6 ³ | £3 6 10 | £2 14 9 | £3 5 9 | £4 1 7 |
| 21 Payments... | 2 12 6 | 2 15 4 | 3 0 2 | 3 7 5 ¹ | 3 17 6 | 4 12 1 |

* A person of 30 may thus secure £1000 at Death, by a yearly payment, during *life*, of £30 10s., which would generally secure elsewhere about £500 only.

† At age 40, the Premiums ceasing at age 60 is, for £1000, £33 14s. 2d.,—being about the same as most Offices require to be paid during the whole term of life.

The New Business has, for some years, exceeded a Million per annum.

The Expenses of Management (only 9 per cent. on Premiums, or a little over 6 per cent. on the total Income) are much lower than in any Office doing so large an amount of new business.

The PREMIUM INCOME has doubled in 10 years.

The FUNDS now exceed Five Millions.

Only two offices in the Kingdom (both older) have so large a Fund.

Claims under Policies payable a Month after Proof.

Full Statements of Principles will be found in the Reports.

January, 1835.
