NOTE.

THE four articles and bibliographies contained in this volume originally appeared in "The Library."

In connection with the bibliographies, I desire to express cordial thanks to the authorities and attendants of the British Museum, without whose courtesy and aid, extending over many weeks, it would have been impossible to bring together the particulars. Most of the artists, too, have kindly checked and supplemented the entries relating to their work, but even with the help given me I cannot hope to have produced exhaustive lists. My thanks are due to the publishers with whom arrangements have been made for the use of blocks.

R. E. D. SKETCHLEY.
