**SONNETS AND  
OTHER VERSE**

SONNETS AND OTHER VERSE.

BY THE SAME AUTHOR.

1. Arthur Hugh Clough, A Monograph. Crown 8vo. 7s. 6d.

'It is not given to many people to have a biographer so intimately acquainted with all the various influences surrounding their life, as Mr. Waddington appears to be with those through which Clough passed.'—*Westminster Review*

'To all lovers of Clough this monograph may be warmly recommended as a sympathetic, yet discriminating study of the poet's life and works.'—*Notes and Queries*

'Mr. Waddington has employed his materials with judgment and good taste, and has brought to bear, both upon the life and writings of his hero, much sound and sympathetic criticism.'—*Daily News*

'The writer is thoroughly appreciative of his subject, and on the whole not extreme in his enthusiasm. He discriminates with much judgment, and he criticises with much taste and tact.'—*Scotsman*

2. English Sonnets by Living Writers, with a Note on the History of The Sonnet. Fcap. 8vo., 4s. 6d. Second Edition.

'Quite a little treasury of poetic wealth. . . Mr. Waddington writes a graceful sonnet himself.'—*Athenaeum*

'This selection is a singularly attractive one, and its value is enhanced by the interesting Note, as the editor modestly calls it.'—*Saturday Review*

'Nowhere to our knowledge is the history of the Sonnet better put in a short space.'—*Pall Mall Gazette*

'Two sonnets by Mr. Waddington himself are placed at the end of the volume—the last sonnet excels the last but one, and that may compare favourably with many that take precedence of it. His Note on the "Sonnet" is well written and valuable.'—*St. James's Gazette*

3. English Sonnets by Poets of the Past. Fcap. 8vo. 4s. 6d.

'The book may fairly claim an honourable place beside his own previous volume on the shelf devoted to the literature of the "Sonnet."'—*Academy*
